SECTION XI.—POSTAL DIRECTORY.

LIST OF POST TOWNS IN SCOTLAND,
INCLUDING ORKNEY AND SHETLAND.

EXPLANATIONS.

1. All Head Offices are Money Order Offices and Post Office Savings Banks, and also, with few exceptions, Postal Telegraph Offices. In the following list *Money Order Offices* and *Post Office Savings Banks* are marked thus *a*; *Postal Telegraph Offices* are marked thus *b*; *Insurance and Annuity Offices* are marked thus *c*; and certain places where Railway Companies collect and deliver telegrams on behalf of the Post Office are marked thus *d*.

2. Those places on the list which stand alone are *Post Towns*, that is, towns where the Office is a Head Office. Where two places are mentioned, the first is a *Sub-Office*, the second being its Head Office or Post Town. Where three are mentioned, the first is a *Sub-Office*, the second is the *Head Office*, and the third is the *Money Order Office* nearest to the Sub-Office; this being added for the information of persons who may desire to send money to the neighbourhood.

3. The initials “R.S.O.,” following the name of a place, indicate that the office is what is termed a *Railway Sub-Office*, that is, a Sub-Office which receives its correspondence direct from a Travelling Post Office, instead of through a Post Town. If the Railway Sub-Office is not a Money Order Office, the name of the nearest Money Order Office is added after the name of the

County. Certain Sub-Offices receive the bulk of their correspondence from some other than their own Head-Office, and in this list these offices are followed by the initials "S.O.," and the name of a county in brackets. Letters for such Sub-Offices and for Railway Sub-Offices should have the initials "S.O." or "R.S.O.," as the case may be, together with the name of the county (if given in this list) added to the address.

4. *Town Receiving Offices* are not entered in this list, unless Money Order and Savings Banks business is transacted at them.

N.B.—No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time. When a Money Order is applied for, it must be on the clear understanding that no such claim will be allowed, and that the Post Office is not liable, under any circumstances, to more than one payment of a Money Order, even when, notwithstanding the precautions that are taken, the order has been paid to a person not entitled to receive the money.

POST-OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vic. cap. 14, intituled, “*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof,*” and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

TARIFF (INLAND).

The charge for the transmission of Messages by Telegraph throughout the United Kingdom, is 1s. for the first 20 words, and 3d. for each additional five words or part of five words ; the names and addresses of the sender and receiver not being counted.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff ; fractions of threepence being reckoned as twopence.

The cost of a reply to a Telegram may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery, London excepted, will be delivered separately at an additional charge of threepence per copy.

Numbers expressed in figures are counted as so many words according to the number of figures employed. Fractions are counted in a similar manner, with the exception that one word is added for the bar between numerator and denominator, thus $\frac{1}{2}$ counts as three words.

PORTERAGE.

* The sums charged for the transmissions of Telegrams cover the costs of delivery by special Foot Messenger within the limits of one mile of the Terminal Telegraph Office, or within the limits of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not wish to incur the cost of special delivery, his Telegram may be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraphic Office.

Rates of Postage and Conditions of Transmissions.

LETTERS—(*Inland*).

The rates of Postage when prepaid are as follows :—

For a letter not above 1 oz.....	1d.
„ above 1 oz., but not above 2 oz.....	1½d.
„ „ 2 oz., „ 4 oz.....	2d.
„ „ 4 oz., „ 6 oz.....	2½d.
„ „ 6 oz., „ 8 oz.....	3d.
„ „ 8 oz., „ 10 oz.....	3½d.
„ „ 10 oz., „ 12 oz.....	4d.

A letter above the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first oz. Thus, a letter weighing between 14 and 15 oz. must be prepaid 1s. 3d.

A Letter posted unpaid is chargeable on delivery with double postage ; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from one of the Government Offices.

If the stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rates.

An unobliterated embossed, or impressed stamp which has been cut from an envelope, card, or wrapper, and affixed to a letter or other packet renders it liable to be charged at the unpaid letter rate.

Re-directed letters are charged an additional postage for each re-direction, according to the prepaid scale.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the Act 1st Victoria, cap. 36, sec. 2, any person illegally carrying letters incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

NEWSPAPERS—(*Inland*).

Inland Newspapers are subject to the following regulations :—

To have the privilege of passing as a newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a register at the General Post Office : from which it is liable to be removed, either through the non-renewal of the registration fee, 5s, year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper. Registration for inland circulation includes registration for transmission abroad.

For each inland Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny ; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one half-penny for every 2 oz., or fraction of 2 oz.

A Newspaper posted unpaid, or a packet of newspapers posted, either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No Newspaper can be sent through the post a second time for the original postage ; for each transmission a fresh postage is required.

Every newspaper or packet of newspapers must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

A newspaper, or a packet of newspapers, which contains any inclosure except supplements is charged as a letter ; unless the enclosure be such as might be sent at the Book rate of postage, and the entire packet be sufficiently prepaid as a Book Packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14lbs. in weight. nor above two feet in length, one foot in width or depth.

BOOK AND CIRCULAR POST—(*Inland*).

Inland Book Postage is a half-penny for every 2 oz. or a fraction of that weight.

A book packet posted wholly unpaid is charged with double the book postage ; and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three ; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

CIRCULARS, *i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

No book packet may be above 5lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from one of the Government Offices.

CARD POST—(*Inland*)

Post Cards, whether official or private, having a half-penny stamp impressed upon them, are available for transmission between places in the United Kingdom only.

The front (or stamped side) is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication may be printed or written. Nothing whatever may be attached ; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

No Card other than one of those issued by the Government, or a private Card embossed with a half-penny stamp by the Inland Revenue Office will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter. The Official "Stout" Post Cards are sold at 8d. per doz. or 4d. per half doz. The "Thin" Cards 7d. per doz. or 3½ per half doz.

COLONIAL AND FOREIGN LETTERS, NEWSPAPERS, &c.

For every information as to rates of postage of Colonial and Foreign Letters, &c., see *British Postal Guide*, published quarterly, by command of the Postmaster-General, price 6d.

FOREIGN CARD POST.

Foreign Post Cards may be sent to all the countries comprised in the General Postal Union.

Foreign Post Cards with an impressed stamp of 1d. and 1½. each are sold at those rates, and are transmissible to the majority of the countries of the Union without extra charge.

INDIAN AND CEYLON PARCEL POST.

Persons wishing to send Parcels to any part of British India, Aden, British Burmah, and Ceylon can do so through the *Indian Parcel Post Agency*—from the Office at 122 Leadenhall Street, E.C., or the Branch Office at 25 Cockspur Street, S.W.

The charge for parcels is 1s. per lb. or fraction of a lb. (*prepayment optional*), covering transit from London to destination in India. Insurance may be effected, if desired, at the rate (to be prepaid) of 1s. up to £3 value, 2s. 6d. up to £10 value, and 5s. up to £20 value. Indian Customs duty (if chargeable) will be realised from the addressee.

The maximum weight, size, and value of a parcel are :—weight 50 lbs., size 2 feet long by 1 foot broad and 1 foot deep, value £20.

The following are *forbidden contents* :—liquids, or articles of a dangerous, damaging, or fragile nature.

On parcels containing jewellery, gold, silver, watches, or precious stones, an additional charge will be made at the following rates :—

Under £5.....	2/6
£5 and under £10.....	5/
£10 and under £25.....	7/6
£25 to £50.....	1½ per cent.

REGISTRATION—(*Inland and Foreign*).

The fee for registering a letter, newspaper, or book-packet, passing between any two places in the United Kingdom, is twopence.

The fee chargeable for registration to places abroad will be found in the column headed "Registration Fee," in the Table of Colonial and Foreign postage, *British Postal Guide*. To some countries, as shown in that Table, an article can be registered only to the port of arrival ; it being left, in those cases, to the postal authorities of the country to which that port belongs to continue the registration or not as they may think proper. To a few countries, as also shown in the Table, there is no arrangement whatever for registration.

Registration is applicable equally to letters, newspapers, book-packets, and patterns addressed to places abroad.

No letter or other postal packet addressed to initials or to a fictitious name can be registered ; nor can any letter be accepted for registration, unless the enclosure be securely placed so as not to move about, and be covered by a proper and well-fastened envelope.

Registered letters, &c., must be prepaid as regards both postage and registration fee ; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

Every letter to be registered, must be given to an Agent of the Post-Office and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or the British Colonies*, be liable to a registration fee of 8d., instead of the ordinary fee of 2d.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Non-commissioned officers, private soldiers, or seaman serving abroad, can send and receive letters for a postage of 1d., provided that the letter weigh not more than half an ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seaman, and the ship or regiment to which he belongs; but if any such letters have to pass through a foreign country they are subject, in addition, to a foreign rate of postage.

SUGGESTIONS TO THE PUBLIC, &c.

Facility is given to the Post Office in the discharge of its daily duties, and greater security afforded to the public, by careful attention to the following recommendations:—

- 1st. To post all letters, &c., as early as practicable, especially when sent in large numbers, as is frequently the case with newspapers and circulars. The trouble of the office is much diminished if circulars, before being posted, be tied in bundles, with the addresses all in one direction.
- 2nd. To make the addresses legible and complete, giving the name of the post town; and if there be more than one town in the kingdom of that name, or if the post town be not well known, adding the name of the county.
- 3rd. To see that every letter, newspaper, or other packet, sent by post is securely folded and fastened. When postage stamps are remitted, they should be enclosed in paper sufficiently thick to prevent them from being seen or felt through the cover.
- 4th. Never to send money or any other article of value through the post, except either by means of a *money order* or in a *registered letter*.
- 5th. When complaint is made of letters or newspapers lost, miscarried, or delayed, to furnish to the Secretary information as precise as possible regarding all the facts of the case, and to enclose whatever documents may throw light upon it.
- 6th. To see that every letter contains the full address of the writer, in order to insure the return of the letter, if the person to whom it is directed cannot be found.

# THE GUARANTEE SOCIETY

No. 19 BIRCHIN LANE, CORNHILL, LONDON, E.C.

*Empowered by Special Act of Parliament, 5 Victoria—Session 1842.*

Suretiship undertaken for the Fidelity of Persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum.

CAPITAL £100,000 FULLY PAID UP AND INVESTED.

*This Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by Private Bondsmen, its Security being adopted by*

## HER MAJESTY'S GOVERNMENT,

BY

The Bank of England, the Bank of Ireland,  
The Council of the Duchy of Cornwall,  
The Secretary of State in Council for India,  
The Court of Chancery, the Local Government Board,  
The Corporation of the City of London,  
The Principal Bankers, Railway Companies, Public Companies, and  
Commercial Firms in the United Kingdom.

**P**ERSONS of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties; but the Institution of this Society removes these difficulties.

The GUARANTEE SOCIETY undertakes, for a small yearly premium, to make good to the employer ANY LOSS BY THE FRAUD OR DISHONESTY of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

**All necessary information can be had of the Secretary and Agents.**

*Rates according to the nature of the Employment on the Amount of the Security required.*

Security granted on behalf of Receivers and Official Liquidators, under the Court of Chancery, on advantageous terms.
